

# EXIPRO 24m NRG BUS WL/CL 3H Exit Sign Luminaire

Part No. L20008

Categories: Exit Signs, NRG BUS

Tag: EXIPRO WL/CL

**exilux**

Exit sign luminaire with transparent pictogram frame.

## TECHNICAL SPECIFICATION

|                            |                               |
|----------------------------|-------------------------------|
| Weight                     | 0.77 kg                       |
| Nominal input voltage (V)  | 230 V 50/60 Hz                |
| System                     | NRG BUS DALI 2                |
| Insulation class           | II                            |
| Compliance                 | CE, UKCA                      |
| IP rating                  | IP40                          |
| IK rating                  | IK04                          |
| Viewing distance           | 24 m                          |
| Glow wire test             | 850 °C – 30s                  |
| Mounting exit sign         | Surface ceiling, Surface wall |
| Warranty                   | 5 Years, 10 Years             |
| Emergency duration (h)     | 3                             |
| Battery                    | LiFePO4 3.2 V 3.2 Ah          |
| Power consumption AC (W)   | Max. 4                        |
| Charging times (h)         | 24                            |
| Mode of operation          | Maintained, Non-maintained    |
| Colour temperature (°K)    | 5700                          |
| Service life L80B20        | 50000                         |
| Colour                     | RAL 9003                      |
| Material                   | ABS                           |
| Operating temperature (°C) | 0 to +40                      |
